

<i>The text</i>	<i>the text without the code 128 font</i>	<i>the text with the code128 font</i>
ABC	ÑABC!Ó	
123	Ñ123(Ó	
BA757	ÑBA757\Ó	
Hello	ÑHello!Ó	
XLP5289741	ÑXLPìTyj1bÓ	

If you dont see the barcodes :

A- your macros are probably disabled, simply go to " Tools → Options → Openoffice.org → Security → Ma
B- You didnt install the code128 font, the file for the font is placed along with this file in the archive – "code

Thanks to [Openbarcodes](#) !!!

cro Security → Set security level to Medium "
128.ttf"
